In accordance with Regulation (EC) No. 1907/2006

## Trade name : Crescita Miracolosa sticks concime piante verdi

 Revised on :
 08.02.21
 Version : 1

 Print date :
 11.02.2021

### 1. Identification of the substance and/or the compound and the company

### **1.1 Product identifier**

Trade name:	Crescita Miracolosa
	sticks concime piante verdi

Other Names:

Mineral NPK-Fertilizer 16+5+9 with magnesium and trace nutrients

## 1.2 Relevant identified applications of the substance or compound and applications to be avoided

Application of substance / preparation: Fertilizer

### 1.3 Details for supplier providing safety data sheet

Company:	BLUMEN GROUP SPA Via C. Strinati 7/9 – Loc. LE Mose 29122 Piacenca (PC) Italy
Telephone: Internet:	+39 0523.573211 www.blumen.it
Responsible for the safety data sheet:	

Responsible for the safety data sheet: Company: Düngemittelwerk COSWIG GmbH Antonienhüttenweg 24 D-06869 Coswig (Anhalt)

Telephone:	+49 (0)34903697-0
Fax:	+49 (0)34903697-30
e-mail:	<u>zentrale@dmw-coswig.de</u>

#### 1.4 Emergency telephone number

Poison emergency contact Germany	Tel.: +49-30-19 24 0
	Fax: +49-30-30 68 6-7 99
	e-mail: <u>mail@giftnotruf.de</u>
	WWW: http://www.giftnotruf.de

### 2. Possible hazards

### 2.1 Categorization of substance or compound

**Categorization according to regulation (EC) No. 1272/2008** The product is not not categorized and identified pursuant to GHS regulation.

Categorization according to guideline 67/548/EEC or guideline 1999/45/EG The product is not categorized

In accordance with Regulation (EC) No. 1907/2006

Trade name :	Crescita Miracolosa sticks concime piante verd	
Revised on : Print date :	08.02.21 11.02.2021	Version : 1

#### 2.2 Identifying details

### Identification according to regulation (EC) No. 1272/2008 The product is not categorized and identified according to GHS regulation.

#### 2.3 Other hazards

- Ignition of the decomposition products of the organic bonding agent occurs when high heat applied. Flame extinguishes when source of ignition is removed.

Blumer

### 3. Composition/ information on contained substances

NPK-fertilizer on the basis of nitrogen, phosphor and potassium compounds as well as trace element compounds. Organic bonding agents are also contained.

Hazardous contents

Chemical name	CAS-No.	EC-No.	Categorization 67/548/EEC	Categorization (EC) 1272/2008	Conzen- tration [%]

Does not contain health-hazardous or environmentally-hazardous substances pursuant to regulation (EC) No. 1272/2008 in single concentrations > 1% of weight, and substances that are persistent, bioaccumulable and toxic in single concentrations > 0.1% of weight.

### 4. First Aid measures

### 4.1 Description of first aid measures

Inhallation:	inapplicable
Skin contact:	inapplicable
Eye contact:	rinse generously with water
Swallowed:	rinse mouth and drink generous amounts of consult doctor at signs of illness

### 4.2 Most important acute or delayed symptoms and effects

Effects: No additional information available.

water;

In accordance with Regulation (EC) No. 1907/2006

# Trade name : Crescita Miracolosa sticks concime piante verdi

 Revised on :
 08.02.21
 Version : 1

 Print date :
 11.02.2021

### 4.3 Information on medical first aid or special treatment

Treatment:

Treat according to symptoms

### 5. Fire-fighting measures

### 5.1 Extinguishing agent

Suitable extinguishing agent: Water

Unsuitable extinguishing agent: Select extinguishing agent according to surrounding fire

### 5.2 Particular hazards generated by substance or compound.

Particular hazards upon extinguishing of fire:

Product is not flammable. Hazardous decomposition products may be released at temperatures higher than 130 °C. nitrogen monoxide, nitrogen dioxide, nitrous oxide, ammonia

#### 5.3 Instructions on fire extinguishing

Special protective equipment for fire extinguising:	Wear respiratory protection apparatus that is independent of circulating air.
Additional instructions:	Remaining fire and contaminated water used for extinguishing fire must be disposed of according to local regulations.

### 6. Measures to combat unintentional release

## 6.1 Person related cautionary measures, protective gear and procedures to deal with emergencies.

Person-related cautionary measures: none

### 6.2 Environmental protection measures

Environmental protection measures:

Do not allow product to enter sewerage system, bodies of surface water or ground water.

### 6.3 Methods and materials for retention and cleaning

In accordance with Regulation (EC) No. 1907/2006

Trade name :	Crescita Miracolosa
	sticks concime piante verdi
Revised on : Print date :	08.02.21 Version : 1 11.02.2021
Cleaning procedures / Uptake:	Mechanical uptake, in suitable recovery or disposal containers
6.4 Reference to other	r articles
Guidelines on p	afe handling see article 7. protective equipment and hygenic measures see article 8. lisposal see article13.
<ol> <li>Handling and st</li> <li>Protective measur</li> <li>Guidelines on safe hand</li> <li>Guidelines on fire and</li> </ol>	es for safe handling
explosion protection:	The product is not flammable.
Hygienic measures:	Keep away from food and beverages. Avoid lengthy and intense contact with skin. Avoid contact with eyes.
7.2 Conditions for safe	e storage with consideration of intolerances
Information on storage conditions:	Keep dry. Keep away from direct sunlight.
Requirements for stora and containers:	Store only in original container. Keep dry.
	Protect from dirt and other contaminants.
	Protect from dirt and other contaminants. LGK 13 (Not flammable solids)
7.3 Specific end uses	
<b>7.3 Specific end uses</b> No further recommenda	LGK 13 (Not flammable solids)

### 8. Limitations and monitoring of exposure / Personal protective equipment

### 8.1 Parameter to be monitored

Exposure limits unavailable.

In accordance with Regulation (EC) No. 1907/2006

Trade name :	Crescita Miracolosa
	sticks concime piante verdi

Revised on : Print date : 08.02.21 Version : 1 11.02.2021

### 8.2 Limitations and monitoring of exposure

Contains no elements with workplace related limitations requiring monitoring.

<b>Personal protective equipme</b>	<b>nt</b>
Protective equipment:	Not required.
Hygienic measures:	Keep away from food and beverages. Avoid lengthy and intensive skin contact. Avoid contact with eyes.

### 9. Physical and chemical characteristics

### 9.1 Information on basic physical and chemical characteristics

aggregate state: colour: odour: odour threshold: pH-value: freezing point: boiling point: flash point: evaporation rate: flammability: upper/lower explosion limits: vapour pressure: vapour density: relative mass: solubility in water: partician coefficient: n-octanol/water: spontaneous combustion temperature: decomposition temperature: viscosity: explosive characteristics: oxidising characteristics:	solid green odourless undetermined 6 to 8 (suspension of 50 g/l water) not applicable not applicable
9.2 Other information	
fire accelerating characteristics: mass:	not fire accelerating approximately 1.2 g/cm³ (at 20°C)

### 10. Stability and reactivity

In accordance with Regulation (EC) No. 1907/2006

Trade name :	Crescita Miracolosa sticks concime piante verdi	
Revised on : Print date :	08.02.21 11.02.2021	Version : 1

### 10.1 Reactivity

Circumstances to be avoided: Keep fertilizer sticks dry at all times.

Substances to be avoided: Heavy leaching (releases ammonia)

### 10.2 Chemical stability

The product is stable under normal ambient conditions and at the recommended temperature and pressure conditions in storage and handling.

Blumen

see article 9.1

### 10.3 Possibility of hazardous reactions

Hazardous reactions: Heavy leaching will release ammonia.

### 10.4 Conditions to be avoided

Conditions to be avoided: Keep fertilizer sticks dry at all times.

#### 10.5 Incompatible materials

Substances to be avoided: Heavy leaching (release of ammonia)

### **10.6 Hazardous decomposition products**

Hazardous decomposition	
products:	Nitroge
	ammo

Nitrogen monoxide, nitrogen dioxide, nitrous oxide, ammonia

### 11. Toxicological information

### 11.1 Information on toxicological effects

Acute toxicity:	undetermined
Skin irritation:	none
Irritation effects on the eye:	slightly irritating
Corrosion effect:	undetermined
Allergisation:	undetermined
Toxicity with repeated use:	undetermined
Carcinogenicity:	undetermined
Mutagenicity:	undetermined
Reproductive toxicity:	undetermined
· ·	

Experience gained through practical application:

No observations have been made that indicate hazardous qualities.

In accordance with Regulation (EC) No. 1907/2006

Trade name :	Crescita Miracolosa sticks concime piante verdi	
Revised on :	08.02.21	Version : 1

11.02.2021

12. Environmental information

### 12.1 Toxicity

Print date :

Ecological toxicity

Slightly hazardous to water. Do not allow substance to enter the groundwater, surface water or sewerage system in undiluted form or in large quantities.

### 12.2 Persistency and biodegradability

Persistency and biodegradability: Biologically degradable

### 12.3 Bioaccumulation potential

Bioaccumulation potential: No bioacccumulation

Other ecological information: High probability of not being acutely hazardous for water organisms. An increase in the toxic effect on aquatic organisms is to be expected at higher pH levels, such as are naturally found in bodies of water.

### 12.4 Mobility in the soil

No further relevant information available

#### 12.5 Results of the PBT and vPvB assessments

Not applicable

### 12.6 Other hazardous effects

Do not release substance in large quantities or undiluted into the groundwater, surface water or the sewerage system.

### 13. Instructions on disposal

#### 13.1 Procedures for handling of waste

Product:

Do not dispose with household garbage. Do not release into the sewerage system. The product is to be used as a fertilizer. The possibility of an agricultural application should be investigated before landfilling.

In accordance with Regulation (EC) No. 1907/2006

	Crescita Miracolosa sticks concime piante verdi	
Revised on : Print date :	08.02.21 Version : 1 11.02.2021	
Contaminated packaging:	Disposal in accordance with official regulations. Containers with remainder of product removed may be reused or recycled after cleaning with water.	
Product waste code:	02 01 09: Waste from chemicals for agriculture with the exception of those that fall under 02 01 08.	

Blumen

### 14. Instructions on transport

### Article 14.1 to 14.5

ADR	no hazardous material
ADN	no hazardous material
RID	no hazardous material
IATA	no hazardous material
IMDG	no hazardous material

### 14.6 Particular cautionary measures for transport

See Sections 6 to 8

## 14.7 Bulk material transport in accordance with addendum II of the MARPOL-Agreement 73/78 and the IBC-Code

No transport as bulk cargo pursuant to IBC-Code

### 15. Legal provisions

## 15.1 Regulations on safety, health, and environmentally-specific lawful regulations for the substance or compound.

### **Identification according to regulation (EC) No. 1272/2008** The product is not subject to required labelling.

National regulations Water hazard class:	WGK 1, slightly hazardous to water
Technical instructions - air:	not subject to regulation
Hazardous incidents ordinance:	not subject to regulation
Limitations of use:	none
Hazardous materials regulations:	not subject to regulation
Other regulations:	none

In accordance with Regulation (EC) No. 1907/2006

Trade name :		Crescita Miracolosa sticks concime piante verdi	
Revised on :	08.02.21	Version : 1

Print date :

### 15.2 Substance safety evaluation

No safety evaluation has been undertaken for the compound.

### 16. Other information

The information provided in this safety data sheet reflects our knowledge and experience to the best of our understanding. It describes our product with regard to safety requirements but does not reflect a guarantee of any particular qualities. The information is not applicable to other products.

Changes from the last version: not applicable

Data sources used to compile data sheet: Preparation guidelines (1999/45/EC) Substance guidelines(67/548/EEC) REACH-regulation (EC) No. 1907/2006 Regulation (EC) No. 1272/2008 GHS regulation Regulation (EU) No. 453/2010

Complete version of the R- H- and EUH clauses itemized in articles 2 and 3. (if not already listed in these articles).

Pursuant to regulation (EC) No. 1272/2008 not applicable

Pursuant to guideline 67/548/EEC not applicable
